

Dear Parents,

Hi! I'm Anna Miller, the third grade teacher at Clinton Christian School. I am so excited to welcome you and your child into my classroom this year. I graduated from Susquehanna University with a major in Elementary Education and Early Childhood Education. This is my second year teaching 3rd grade and my 7th year of teaching. I have been married for 6 years and Jared and I have two sons. Collin is four years old and Caleb is two years old. This summer we spent our days playing at home, visiting family, and attempting "stay-cation" like day trips.

I am looking forward to meeting as well as knowing each student in my class, and of course their parents too. This year will bring new challenges and lots of learning. Safety will always be my first priority and even in the middle of a Global Pandemic, I am committed to making each day and each subject interesting and easy, so each child understands as well as enjoys school. Moreover, I do not just want to stick to academics. Rather, I am planning activities to develop the character, creativity, and interests of students. I hope to make this academic year, educational as well as fun-filled year for your child. Please contact me frequently and for any reason. You can e-mail me at amiller@ccsgoshen.org.

Yours sincerely,

Anna Miller
