

2nd Grade Supply List 2019-2020

Parents are responsible to supply their students with school supplies. Below are lists of supplies needed by students for each grade. School supply lists will also be posted on our website and elementary teachers will also send out letters and lists before the beginning of school.

Gym shoes:

- Every student (K-8) will need a pair of non-marking gym shoes that they will need to keep at school for indoor recess or physical education.
- It is important that they are non-marking. If your child's shoes mark on our gym floor we will ask you to purchase a new pair and your child will be allowed to play on the cement part of the floor and not on the gym floor until they have a non-marking pair. It is too dangerous to allow students to play barefoot or in socks.
- It is acceptable to have your child bring a pair of new shoes to do a scuff test with the tags on so that you can return them if necessary, you may also want to try a scuff test in the store. Be aware that light colored soles can leave marks just as much as dark soles.
