

Dear 5th Graders,

Welcome to 5th grade!! I am excited to have you in my class and be your teacher! I am looking forward to meeting each of you, and to get to know you as we learn new things together this coming school year.

This will be my 2nd year at CCS. I have spent my summer painting rooms and cupboards in my house, and getting ready for a new school year. My cocker spaniel, Barney, and my cat, Riley, keep me company at home.

If you want to get a head start on the school year, spend some time reading a book, and review your math facts, especially multiplication. You can use the website [xtramath.com](http://xtramath.com) to practice your facts.

Enjoy the rest of your summer, and be ready to do fun activities when school starts!

Praying for each of you,

Miss Kauffman
